The President, Chairman, Secretaries, Honorary Treasurer, Management Committee, Officials and the General Membership send their congratulations to

HER MAJESTY THE QUEEN

on her

Sapphire Jubilee

The 6th of February, 2017, marked 65 years since the Queen acceded to the throne, becoming the first British Monarch to mark their Sapphire Jubilee.

To coincide with the occasion Buckingham Palace has re-released a photograph of Her Majesty taken by David Bailey in 2014. In the photograph, the Queen is wearing a suite of sapphire jewellery given to her by King George VI, as a wedding gift in 1947.

Her Majesty the Queen, Patron of the National Flying Club is an inspiration to us all and we take this opportunity, to send to her, on behalf of the membership of the National Flying Club, our loyal greetings, our sincere best wishes and congratulations on such a momentous and historic occasion.

House of Aarden
Racing Pigeon Stud

As Proud Official NFC Sponsors Steve & Lesley Wright believe without a shadow of doubt, that the Padfield Family are the No. 1 Barcelona Flyers in the UK & we would publicly like to thank them for allowing us to purchase their Great Champions!

Champion Padfield's Blue Badge

The Padfield Family of Cwmtillery have a history of producing exceptional long distance racers but in their long and illustrious career I doubt that even they have produced a better long distance Champion than a Blue White Flighted Cock which we will refer to as Padfield's Super Star. This pigeon must be one of the greatest British long distance racers of the modern era. Hyperbole I hear some shout, not a bit of it! It would be difficult to overstate the performances of this great racer. Just look at the evidence set out here:

He has appeared four times in the first 10 in the BICC International Races: 1st Gwent Greater Distance Flying Club; 1st West Section, 2nd Open BICC Barcelona International; 1st NFC Single Bird National. He was roughly 330th International from nearly 20,000 pigeons; 1st West Section, 4th Open BICC International Agen; 3rd West Section, 10th Open BICC International Pau; 1st West Section, 2nd Open BICC St. Vincent International; 4th Section, 5th Open Welsh South Road National Tarbes. He has flown 550 miles three times, 600 miles four times and 757 miles once.

In 2014 the cock was awarded a BICC Certificate of Merit in recognition of his achievement of finishing in the top 15 Open in BICC International races on three occasions, he has now achieved this difficult feat four times. Blue Badge is now on the semi-bull system in his own breeding compartment.

Available now direct offspring off Champion Padfield's Blue Badge.

Prices start from £450 each.

Champion Padfield's St. Vincent

Champion Padfield's St. Vincent, winner of 1st BICC St Vincent National, 566 miles; 6th Section, 55th National BICC Pau and 2nd National NFC Single-Bird National, 33rd National BICC Pau once, 566 miles, three times 600 miles and once 757 miles Barcelona.

P. & D. Clarke of Taunton clocked a grandchild of Champion Padfield's St Vincent to win 1st Section D NFC Fougères National 2016.

Available now direct offspring off Champion St. Vincent.

Prices start from £250 each.

Champion Padfield's Jack

Jack, purchased from our good friends the Padfield Family. Champion Jack's results are 7th Open Welsh South Road National Tarbes; 1st Section, 1st Open WSRN Tarbes; 9th Section, 15th Open WSRN Tarbes; 3rd Section, 3rd Open WSRN Tarbes, 607 miles. In 2012 Welsh South Road National Meritorious Award winner, 3 times in first 20 Welsh South Road National Tarbes. First pigeon in the history of WSRN to win this award, in fact Jack has finished four times in the top 20: 12th Section, 88th Open NFC Tarbes; 8th Section, 56th NFC Tarbes; 45th Section, 337th NFC Tarbes; 19th Section, 161st NFC Tarbes.

Mr & Mrs Webber's hen won 4th National Ancenis, 1st Welsh South Road National Flying Club, Bergerac 2016 from Champion Jack bloodlines.

Available now direct offspring from Champion Jack.

Prices start from £250 each

Champion Padfield's Invincible

Is in our opinion one of the best present-day long-distance Jan Aarden-based pigeons to fly into Wales. His wins are: 1st GGDC, 1st West Section, 2nd Open BICC Barcelona at 754 miles 2009, beaten only by a bird flying 200 miles to the east of his Cwmtillery home in a race that saw a strong westerly wind blowing the whole of the race weekend, beating over 25,000 birds in the Barcelona International; 23rd Open BBC Nantes, 3,200 birds; 33rd Open BBC San Sebastian and 3rd Open Single-Bird National; 3rd West Section, 31st Open Pau BICC; 163rd Open BBC St Nazaire. He also won the Welsh Most Meritorious Award six times, 600 miles and 750 miles once. This long-distance warrior handles small to medium, sits in the hand perfectly, has the most beautiful golden eyes and we are very proud to have him at the House of Aarden.

A grandchild of Padfield's Invincible won 1st Welsh Section NFC Fougères National. Same pigeon won 1st Welsh Section NFC Messac National for our good friends Dave & Vince Padfield 2016. Also Paul & Richard Pym won 1st Section D, 1st Open NFC Messac National 2016 with a pigeon bred off a granddaughter of Padfield's Invincible. Another good friend of ours John Smale informed us that a grandchild of Padfield's Invincible won 1st. Welsh section National Flying Club Tarbes, and 1st. Welsh National, Tarbes.

Available now direct offspring from Padfield's Invincible.

Prices start from £450 each.

WORMUNE

Maintain Natural Health

WorMUNE is not an Anthelmintic, but can be intergrated with convential worming agents to help the bird maintain natural health and gut condition, and possibly reduce the use of harmful chemical substances that can upset and irritate the intestines.

100 Birds 250ml £11.75

Y40

Crop Health

Y40 can be used to help maintain the pigeons own management of the crop and digestive system. The crop is essential for temporary food storage, the start of the digestion process and the production of pigeon milk. Any stress or imbalance caused by aggrivation or illness in this process can seriouskly upset the nutritional uptake of food and supplements.

100 Birds 250ml £15.75

COLIMUNE

ColiMune is a water soluble formulation designed specifically for pigeons. ColiMune contains a probiotic and live yeast formulation as well as rehydration salts. ColiMune is a funcional feed supplement containing natural complex sugars and is designed to help maintain natural gastrointestinal health.

50 Birds 200g £8.95 **100 Birds 400g £15.75**

SPORT C

Calcium is vital for bones, egg shell formation as well as for nerves, muscle and enzyme systems. Sport C has been formulated especially for pigeons as a supplement to aid the diet during breeding, rearing and youngster growth. Calcium absorption is regulated by Vitamin D3 and Phosphorus. Sport C helps to augment this uptake within the upper and lower intestine to maintain a constant and level nutritional supply.

50 Birds 500ml £9.95 **100 Birds 1000ml £16.95**

WHEATGERM OIL

Natural Vitamin E Oil

Wheat Germ oil is extracted from the centre of the wheat, the wheat kernels known as the 'germ' layer. This is the part that germinates to become cereal wheat grass. The extraction from the wheat embryo gives an unrefined and pure golden supplement. Wheat is one of the major nutritional foods available to the pigeon rich in 'Tocotrienol' or Vitamin E. It also contains multiple B Vitamins, protein and iron. Additionally it is a great source of potassium, phosphorus, riboflavin, lecithin, calcium, zinc, selenium and magnesium.

250ml £8.95

COXEDEX

Coxedex is a natural equimolar mineral feed suplement that can be added to the drinking water to help maintain the pigeons own natural management of the internal digestive balance during times of stress and 'light' pigeons.

50g £8.95 **200g £15.75**

FLORBIO

Water Soluble Probiotic Supplement

FlorBio contains *enterococcus faecium* a scientifically advanced probiotic, useful for helping to balance the pH and gut microbiological population of pigeons. This powerful product can be used to help maintain normal digestive functions.

50 Birds 200g £8.95 **100 Birds 400g £15.75**

SPORTLYTE

Dehydration after strenuous exercise results in ion imbalances within a pigeons interstitial fluid. Replacing these ions is vital as constant equilibrium is electrolyte concentrations such as sodium and potassium is essential. SportLYTE is a sports powder drink specifically formulated for pigeons to help rehydrate and replace the electrically charged micro-mineral ions quickly and safely.

50 Birds 200g £5.85 **100 Birds 400g £9.95**

SPORT B

High Energy Micronutrient Supplement

Sport B is the all new athletic performance micronutreint supplement designed to compliment and maximise energy impact. This powerful Vitamin B supplement will help to readily convert proteins and carbohydrates into accessible energy prior to physical excercise and athletic performance during racing or rehabilitation after illness. Sport B is is belended from vitamins and iron into a special energy packed base material which is rapidly absorbed into the bloodstream.

50 Birds 500ml £9.95 **100 Birds 1000ml £16.95**

LINSEED OIL

Rich in essential Omega 3

Linseed Oil is rich in Omega 3, Omega 6, Omega 9, essential fatty acids, B vitamins, potassium, lecithin, magnesium, fibre, protein and zinc. Linseed Oil is easily digestible and reports suggest that it contains up to 50% more Omega 3 oils than from fish oils.

250ml £8.95

HEMP OIL

Natural Essential Fatty Acid Oil

Hemp Oil is high in protein containing all the known essential amino acids. It has been dubbed "Nature's most perfectly balanced oil", due to the fact that it contains the perfectly balanced 3:1 ratio of Omega 6 to Omega 3 essential fatty acids. Unlike other Omega-rich alternatives that are sold mainly as vitamin supplements, hemp oil is easily digestible and has a flavourful "nutty" taste that will create a craving that stimulates and conditions pigeons.

250ml £8.95

CANKEX

Cankex can be used regularly to help maintain natural crop health, particularly after a hard race, dehydration or at times of natural stress such as the breeding and moulting seasons.

100 Birds 250ml £11.75

NIFRADEX

The first natural defence are antibodies and helping to keep and maintain the system stress free will optimise the natural barriers resistance to attack.

50 Birds 200g £8.95 **50 Birds 400g £15.75**

SPORT V

Vitamin Enriched Liquid Supplement

Sport V is the all new enhanced and enriched vitamin, mineral, macro mineral and trace element liquid supplement. Packed full of the essential organic and inorganic chemical elements and compounds for all your pigeons need to maintain growth. Sport V is ideal to use as a breeding tonic, young bird tonic, moulting and darkness tonic.

50 Birds 500ml £9.95 **100 Birds 1000ml £16.95**

SPORT HERB

Natural Herbal Infusion

During strenuous physical exercise the pigeons body will convert energy molecules such as carbohydrates into smaller molecules through a series of natural enzyme processes, cycles and reactions. This energy concersion process can cause a build up of unwanted toxins what the pigeons digestive and renal systems will need to remove. Sport Herb is a specific blend that has a soothing and relaxing effect and helps as a detoxifier and anti-oxidant.

50 Birds 500ml £9.95 **100 Birds 1000ml £16.95**

PEANUT OIL

Natural Nutrient Rich Oil

Peanuts or groundnuts are part of the legume bean family, the seed part of the plant formed in seedpods. Poor storage of peanuts can lead to an infection by the mould fungus Aspergillus flavus, releasing the toxic substance aflatoxin. This makes the use of Peanut Oil an advantage over the use of peanuts for pigeons. Peanuts are nutrient rich, providing over 30 essential nutrients and phytonutrients. Peanuts are a good source of niacin, folate, fibre, magnesium, Vitamin E, manganese and phosphorus.

GUIDANCE FOR LOCAL CLUBS SETTING CLOCKS FOR THE NATIONAL FLYING CLUB

We ask you to remember that some of the staff at the office of the National Flying Club are not pigeon fanciers and what is obvious to us is not to them. They can only type what they see on the envelopes.

We respectfully make the following requests to you and your helpers: -

1. PRINT ALL letters and figures clearly. Please make sure, as much as you possible can, that all details on the envelope are clear, in the correct place, addresses are complete and all information is ACCURATE.

2. Help by checking that the members using your clock station or club have quoted their correct membership and are within the correct section. It must be the same as on his or her verification card. The verification card must be put in the members clock envelope and sent to the Secretary. If it is a Partnership, print the title in FULL. I fully appreciate that this is the member's personal responsibility, but some may require assistance.

3. Make sure that ALL dates are correct. Write in the month and put the dates in the box.

4. All times must be recorded on the 24 hour system. The computer works on this system and dials are printed this way for this purpose. Printing clocks record on the 12 hour system and must therefore be converted to the 24 hour system. If you have any members using a race master, please convert the time recorded to the 24 hour system.

5. DISTANCES. You do not need to put any distances onto the clock envelope, distances are received direct from the RPRA via computer.

6. RUBBER RING NUMBERS. Endeavour to write the outside and inside number in the correct box.

7. On using old clock envelopes, if a member clocks more than 5 birds or if a member clocks more birds than there are spaces on the clock envelope. Complete fully all envelopes. Never place one envelope inside another. Number them 1 and 2 and pin them together. Clock and master timer envelopes are available from the marking stations. E.T.S. only the printout and the verification form is required to be sent.

8. If a member has his/her CLOCK RE-SET because of a fault, then two envelopes must be completed. Place 'DUD' dials in one, mark it 'RESET', and send to the secretary.

9. If there is something wrong with a members clocking, such as a stopped clock, or he/she has failed to abide by the verification rule, you must send all dials etc., to the secretary and mark clearly on the envelope what is wrong. Clock setters or official clock stations cannot disqualify members: only the committee can do this.

10. Remember to complete and send to the secretary MASTER TIMER RIBBON AND ENVELOPE, complete the box requesting number of members who had a clock set.

11. Clock setters / Officers I/c. Never have anything to do with your own clock or clock envelope. Get someone else to complete sign and post it.

12. Clock envelopes / printouts etc., to be posted to the secretary as early as possible. Post 1st class and send by recorded delivery. There is no need to register. Post the next day after clock opening or on the Monday following the race - if flown on Saturday.

13. All clocks must go out from setting with number one box showing.

14. You are not required to supply dials or ribbons. Members must bring their own.

15. CLOCKS can be set 3 days prior to the date appointed for the liberation. For clocks requiring re-setting, the original clock envelopes should be marked 'RE-SET' and signed. A NEW ENVELOPE SHOULD THEN BE USED. In this case please be careful to insert on the clock envelope the correct date when the clock was re-set.

16. Clocks must be brought in sealed and have inside the box or clock a relevant Testing Certificate. Refuse any clock that is not sealed or does not have this certificate according to R.P.R.A. Rules.

If any of these rules are broken, it may lead to disqualification.

GUIDANCE FOR LOCAL CLUBS SETTING CLOCKS FOR THE NATIONAL FLYING CLUB

17. IT IS VERY IMPORTANT to remember that All clocks must be checked in accordance with R.P.R.A. rules, clocks which do not show the day of timing in must be controlled if not checked on the day of timing, the day and time of clock checking will be determined by the officer I/c of the clock station. See Clock rule 5.

18. Master Timer is to be set and checked from Greenwich Time taken from the last pip of a BBC Time signal or from 'Tim'. The Master Timer must be struck with each batch of members clocks. After clock setting is completed the master timer must be struck against GMT and then stripped ready for resetting either for a re-set, should one be required, or for the checking of members clocks. When checking has been completed a final strike must be made with GMT before stripping the master timer. Whilst in use the Master Timer must be locked and sealed, depending on the type of clock used. This does away with any DOUBLE VARIATION. CLOCKS MUST BE STRUCK OFF ON AN EVEN FIVE MINUTES, any variation on the master to be adjusted so the variation on the Members clock is 'Actual', with no double variation being necessary.

19. MASTER TIMER ENVELOPES. Complete one of these for each race, recording all setting and checking times with GMT and variations. Put master timer dials or roll inside and send, with members clock envelopes, to the secretary. Ensure that the dials are signed and dated. Put members dials, rubbers, seals and verification card into the clock envelope, but do not seal it. Send it by RECORDED DELIVERY to the secretary in a large envelope. THERE IS NO NEED TO REGISTER THE PACKAGES.

20. CLOCK ENVELOPES. Please print one figure or letter only in each box. Complete all details. Record the puncture details from the dials only. Do not work out any variations as the computer does this. The only adjustment is when the clock has been set an hour fast or slow. In this case ENTER on the clock envelope the correct hour and not the punctured hour. **Clock setters must write their name, address and phone number on the back of the clock envelope and/or master timer envelope / printout and be countersigned by an independent R.P.R.A. member.** The fly sheet or front part of the Clock Envelope, after completion, should be returned to the competitor.

21. After Clock Setting complete a Clock Record Sheet. This sheet should list the members name, clock make and number, time set and variation, seal serial letter and number and the number of the slot showing. Only after checking, need a clock envelope be completed. It is important that the clock record sheet is retained by you for future reference.

22. Clock fees are £1 per clock and re-sets are also £1 per clock paid by the member to the clock setter. Members must supply their own dials or ribbons for printers.

23. COMPETING MEMBERS IN CHARGE OF CLOCK STATIONS OR LOCAL CLUB CLOCK SETTING SHOULD NOT AT ANY TIME, AFTER SUBMITTING THEIR CLOCKS FOR CHECKING, HAVE POSSESSION OF THEIR OWN ENVELOPE. These should be signed and posted to the secretary by another member.

24. Liberation Times. Liberation times can be got from the Race Update line. Telephone Number. Also from the web site www.NationalFlyingClub.Co.Uk Do not phone a committee member.

25. List of early times. The list of early times will be sorted on the Race Verification Line and on the internet by the Secretary. This way we should achieve a comprehensive list for publication in the fancy press, the following weekend.

26. The above instructions are quite straight forward and vary little from normal club procedure. Where they do vary it is necessary so that correct information can be given to the computer, but if all instructions are carefully followed no difficulties should arise. The National Flying Club appreciates the work of the Clock Stations, its officials and club clock setters, without whose help no result would be possible.

If any of these rules are broken, it may lead to disqualification.

CLOCKS & CLOCK STATIONS

CLOCKS - PLEASE NOTE

Make certain that your clock is in good running order.

When transferring your clock from one Station to another make sure that R.P.R.A. Rules have been carried out.

If yours is a puncture clock you have to provide your own dials; if it is a printer then check carefully that the ribbon and roll are in good order.

BEFORE leaving the Clock Station check that your clock has a locking puncture or locking print and that it has been struck to the Master Timer.

If your clock has to be sealed see that it has been done according to R.P.R.A. Rules, with the official seals sold by the R.P.R.A.

Members using two clocks must be clearly labelled one and two.

If any of these rules are broken, it may lead to disqualification.

LIBERATION NEWS

Members may obtain the time of liberation, in any of the races, from the clubs own Race Update Line.

Telephone: 0906 753 4040

Calls are charged at 77p per minute at all times inc.VAT.

Liberation times will also be available on the club's website: - www.nationalflyingclub.co.uk

As most clock station officials themselves compete in racing, members are requested to consider and to co-operate with them at all times.

It is most important that both competitors and Clock Station officials make sure that figures and letters on Clock Envelopes are in the correct boxes and legible, otherwise errors occur causing not only delays in publication of results but loss of winnings to competitors.

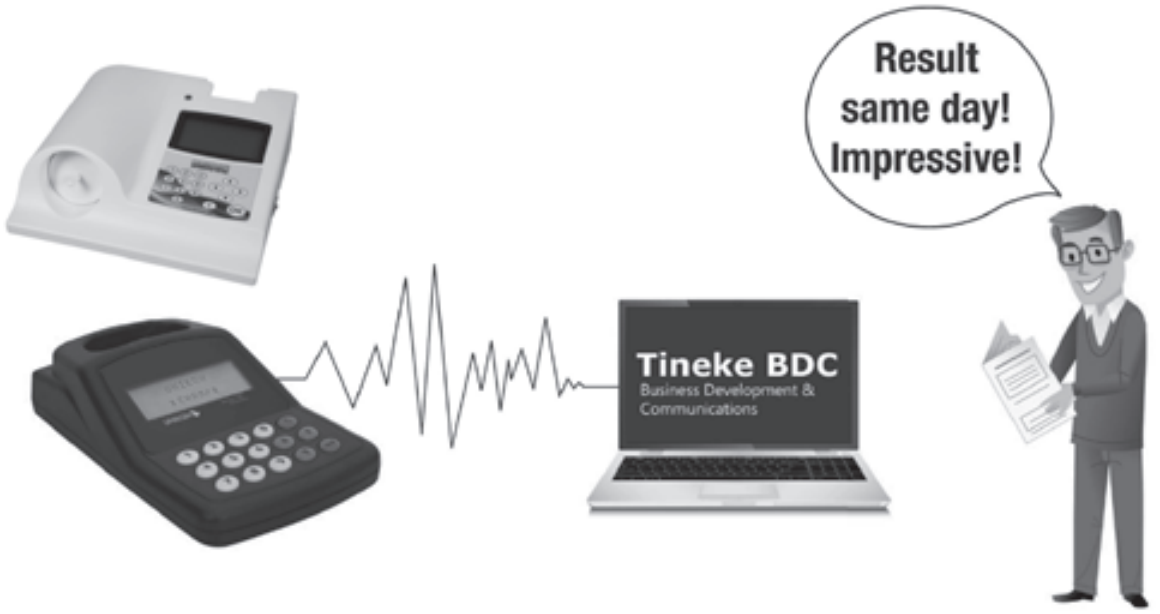
TPRS Tineke Pigeon Racing System

Processing pigeon racing data has never been simpler or more affordable



Pigeon Racing Data Entry Made Easy

Do you spend hour after hour keying in racing data? Do you find manual entry prone to mistakes? Is your key information secure? Can you access pigeon racing data quickly?

We considered all of these questions and more when we developed TPRS.

Electronic Timing System (ETS) Data Input provides the following:

- Simple and quick one click data input
- Significant reduction in data entry freeing up your time
- Eliminates keying in errors
- Data is secure and cannot be altered
- Data stored on local computer (so a laptop could be taken to several Clock Stations to collect race results)
- Race results can be processed locally or uploaded to online club database from which results are produced
- Data can also be downloaded into your existing results processing system
- Results can be uploaded to www.pigeontube.co.uk (to be launched soon) which, is a public website for anyone to view the results
- Private Members Only Area - analyse and download your results
- Manage membership and subscriptions paid
- Affordable, extremely good value for money
- Endorsed by the Midlands National Flying Club.

ONE TEAM ONE FUTURE

The Latin words, "In Hoc Signo Vinces", translated means, "In this sign, thou shalt conquer". The motto is said to have been adopted by Constantine after his vision of a cross in the heavens just before his decisive battle with Maxentius A.D. 312.
