St Maixent l'Ecole, originally scheduled for 15/06/2024 has been replaced with Nort-sur-Erdre.

This is due to the market that takes place on the liberation site in St Maixent on a Saturday.

It sets up before 5.30am, so no chance of a liberation before the car park starts to fill up.

Postal entries close on the Friday before the marking day (except Tarbes) due to no post on Saturdays

Tarbes - postal entries close on the Wednesday prior to marking.
