**USING THE SERVICE: It's easy!**

- A) Ring 0906 802 02 88. You will be informed of the Service Provider, "Hello this service is provided by The National Flying Club and the cost of your call will be £0.65p per minute."
- B) Answer the operator's questions: -
- 1) What is your NFC code number?
  - 2) What is your bird clock time based on the 24 hour clock i.e. 07.30 or 19.30 according to timing in AM or PM?
  - 3) What is your bird ring number?
  - 4) The operator will then give you a verification number to prove to your clock station that you have verified!

***Please Note that Racing Rule 26 states: -***

All members competing in the National Flying Club races must verify the time of clocking their first bird via the online verification system on the official club website or by ringing the official telephone number, within 60 minutes up to and including the second day from liberation and when timed from the third day of liberation, within 12 hours, with the full ring number of the bird, clocking time and NFC code number. The online system to be a free members self input system, the telephone system to be a premium rate number phone system run by the Secretary of the NFC and such staff as he/she considers necessary, who will input the information onto computers.

**FAILURE TO COMPLY WITH THIS RULE WILL BE DISQUALIFICATION OF THE MEMBER'S BIRDS FROM THE RACE.**

***For the Young Bird and Old Hens National Races, members competing in both races must verify for both.***

**Please note that your club strictly adheres to R.P.R.A. rules re numbers of birds in baskets / crates: -**

**RPRA Rule 127.** a) Any member or Organisation arranging for the conveying of racing pigeons shall, where the number of birds carried exceeds 500, ensure that the vehicle used is adequately fitted with equipment for the controlling of fires.  
b) The number of pigeons placed in the basket or container must be restricted relevant to the distance and time spent in them. The following figures must be strictly adhered to. Failure to do so may entail suspension of the individuals or organisation responsible. **The nights in the basket to be from the day of marking to the projected day of liberation.**

**Time Minimum floor area per pigeon**

**0 or 1 night 44 sq. ins.**

**2 nights 52 sq. ins.**

**over 2 nights 60 sq. ins.**

**See Appendix F**

**APPENDIX 'F' (SEE RULE 127)**

**HEADROOM**

As from 2008 any new vehicles are to have a minimum internal headroom of 10 inches for baskets/crates. The current standard recommended is a minimum of 9 inches.

The relevant parts of R.P.R.A. rule 127 have been highlighted.

The National Flying Club's baskets measure 33" by 47". The calculation is  $33 \times 47 = 1551 \text{ sq. ins.}$

**For two nights in the basket** as highlighted above, 1551 divided by 52 sq. ins = **29.83 birds maximum allowed** in the National Flying Club's crates, flying in the races: -

**1) Fougères; 2) Messac; 3) Tours; 5) Sigogne; 6 & 7) Countances YB & OH.**

**For three nights and over, in the basket** as above, 1551 divided by 60 sq. ins = **25.85 birds maximum allowed** in the National Flying Clubs crates, flying in the race; -

**4) Pau Grand National.**

The club cannot guarantee how many birds will be placed into the baskets but will ensure that they will not exceed the R.P.R.A. legislation limits. The club have done and will place lower numbers in baskets when race entries are known and it is appropriate to do so.

If you have any queries, please contact your officials. We will be more than happy to help you understand the correct circumstances etc.

**Helpful questions and answers: -**

Q1. *Why do the club 'cram' in as many as they can?*

**The club doesn't. We place an appropriate number under legislation limits. The welfare of the birds is a priority and successful racing, results in success for the club.**

Q2. *My other organisation i.e. club, federation, combine etc., only put 20 or 24 in, why are the National doing wrong and putting 29 in?*

**On questioning various members, their own organisations use baskets half the size or smaller than the National. The National Flying Club are doing it right and comparison by numbers in baskets alone is absurd!**

Q3. *How will the birds eat or drink with that many in?*

**The birds are fed and watered on three sides of the baskets and with facilities where we have fed in the centre of the baskets, this is more facilities than any other club we are aware of. We deem ourselves to have the best facilities and this results in the best racing in the United Kingdom, if not the world. We receive many compliments from members stating how well the condition of their birds are in when they return from a race, even if it's been a testing race re the weather or when holdovers have occurred!**

Q4. *I am unhappy with the numbers in the baskets, I am going to write to the papers and on a chatroom somewhere.*

**We highlight that the numbers in a basket are correct re legislation and with the bird's welfare in mind, however we also point out that every member has the right to freedom of speech, but with this right, there is a responsibility to say what is truthful and correct. As a member of a club, we do not expect members to publicly write to the fancy press and/or online chat rooms where none members will read the comments which may well be incorrect, libel and may stop new members joining. Speak or write to your officials, committee members etc., ask for a response. Search out what is right from those in the know and don't give your club any bad and unwarranted publicity. Your officials, management committee and the majority of the members, the Club as a**

whole, with past Dukes, Princes and Kings as Presidents, with the clubs' heritage and yet forward thinking approach, want what's best for this great club.

### **NOTICE TO ALL MEMBERS**

This handbook is produced and compiled by information given to the Secretary. This information is compiled into the handbook in a certain format. This is sent to a typesetter to produce into the final format to print. Each stage can produce errors. We notify you the members that although everyone endeavours to ensure the book is correct, it may not be and the National Flying Club cannot be held accountable or to pay out what wasn't passed or to carry on with something left in by mistake, due to the result of a typesetting error.

Please also be aware, with the publication of the results being made in the fancy press, any amendments are incorporated on the club's website result after the publication and as quickly as any come in, which can result in a number of changes at different times within and at the end of time when objections can be received.

***"In the years following my decision to form a family of marathon pigeons, I have consistently tested my birds in the best competition available in the UK. The National Flying Club Grand National from Tarbes is 676 miles to my loft and after being awarded three certificates of merit over recent seasons, I am confident I have the foundations of a very strong long distance loft. To further this aim, I am constantly seeking out the very best bloodlines available to continue in my quest to build a family of pigeons, based on outstanding performances and consistency at the extreme distance. Whilst the NFC Grand National is the pinnacle of distance racing in the UK, the Barcelona International is the marathon race of the pigeon racing world, and it is those bloodlines that have multiple top performances from Barcelona, which I have endeavoured to acquire and strengthen my loft even further.***

## **RACING RULES** **OF THE** **NATIONAL** **FLYING CLUB**

**1.** The Committee of the National Flying Club decide the race programme and race dates.

**2.** The young bird race shall be flown with birds bred in the current year and rung with special rings issued by the N.F.C. Any member wishing to enter a young bird with a ring number not

issued by the N.F.C. will pay a fee set by the Management Committee (*Current 2021 Fee is £2.*) per bird on top of the birdage to the Marking Station I/c official. No bird will be accepted for this race if it also carries an intact metal ring of a year earlier to the year in which the race is flown.

**3.** All National Race liberations to be at the convoyer's discretion taking into account the prevailing weather conditions and always in the best welfare interest of the pigeons under his care. Such liberations to be made after full consultation with the club's race advisors who will be expected to obtain proper weather forecasts from an approved source. These weather reports to be published after the race along with the convoyer's report.

**4. (a)** The races of the National Flying Club will be flown on the system of velocity proper. All races will close when the velocity falls below 220 yards per minute.

**(b)** The NFC shall adopt the most accurate hours of darkness program available.

**5.** The bird making the highest velocity shall be declared the winner, excepting when in the opinion of the Committee after having given full consideration to the circumstances and conditions prevailing at the time, a pigeon returns an improbable velocity then that pigeon be disqualified from the race.

**6.** The Secretary shall instruct the nearest Committee member or other authorized person to verify ANY performance he so thinks requires verification.

**7.** Birds will be marked at the listed marking stations and must arrive prior to the closing times stated in the current season handbook. Late birds may be refused.

**8.** Members may have their clocks set and checked at any venue, subject to adherence to relevant RPRA rules and NFC guidance regarding Master Timer control and a minimum number of RPRA members in attendance being observed.

**9.** Race Fees and Pools are not returnable to members whose birds fail to arrive at the Marking Station.

**10.** Diplomas shall be issued to the first 200 birds in the open and to the first 20 in each section if not already awarded an open diploma. The first 20 in the open and all section winners not in the first 20 shall be awarded a specially designed National Flying Club Diploma.

**11.** Entry Form A or any other acceptable form of entry together with all fees, must be received by the Secretary on the ~~Monday~~ (*Sunday*) before a Thursday marking or on a Saturday prior to a Wednesday marking, entries received after the stipulated day may be refused. No extra birds will be accepted at marking stations.

*Management Committee Note: It has been discussed by the committee and Sunday is to apply to solve transport logistic issues.*

**12.** All competitors in all races must have a loft location with a distance measurement of 480 miles or over at Pau, code 5034.

**13.** In the event of a mistake being made at marking, necessitating the alteration of rubber rings on a member's sheet, the i/c to be informed. The envelope not to be sealed until he has checked same and initiated the alteration.

**14.** The weather forecast for all races to be obtained from the Met Office or Satellite Services. Also actual conditions to be obtained by whatever means possible. A full report of the forecasts obtained to be printed in the fancy press.

**3.** During the period that the clock is sealed for N.F.C. races, the Secretary or his deputy shall have the right to inspect same at any time at the competitor's loft.

**4.** The competitor must complete his verification card with all details of the bird(s) timed in and this must be handed to the Official i/c the Clock Station, at which his clock was set, at the time the clock is opened. No clock will be opened unless the competitor produces the correctly filled in verification card.  
Penalty for non-compliance will be disqualification.

**5.** All clocks must be checked in accordance with R.P.R.A. rules, clocks which do not show the day of timing in must be controlled if not checked on the day of timing. All clocks should be controlled/checked and read off on the day of the race with the proviso that the clock station I/c can control /check/read

off clocks, the day after timing in, should he consider it necessary.

**6.** Neither the Committee nor any officer of the Club shall be held liable to any clock owner for any damage or loss that may occur whilst the clock is in their or his/her custody; or in the custody of another competitor or in transit; but every holder of a clock shall be responsible for the clock issued.

**7.** Two or more competitors may use the same clock only under the provisions set out in R.P.R.A. Rules. Separate clock envelopes must be made out by the Clock Setter.

**8.** Members' must have their clocks set and/or checked at official NFC clock

stations and local clubs. Clock officials must notify on the back of the ETS clocking in sheet and/or the clock envelope, their name, address and telephone number in case of a query re local clubs.

**9.** All clocks used in the N.F.C. races must have previously been tested according to R.P.R.A. Rules and delivered to the clock station sealed with Association seals as per R.P.R.A. Rules. Failure to comply will result in disqualification. The Clock Setting fee is £1 per clock which must be paid at the time of the setting. In the event of a member having his clock opened and checked with an arrival and then re-set for further arrivals, a further fee of £1 is payable.

**10.** If a member intends to use a clock in a National race, which has not been tested and approved by another club he should contact the official i/c of the clock station he intends to use and make arrangements for the clock to be tested, at least one month prior to the race in which it is intended to use that clock. Clocks that do not have a "Clock Testing Certificate" will be refused.

**11.** Any clock station or club not complying with instructions issued by the Secretary will be withdrawn.

**12.** All clocks must be set no more than three days prior to the advertised liberation date. Should a clock stop, either through an accident or having run down, before a bird's arrival, the

member must first notify the Secretary and Clock Station Officer in charge, of

his/her intention to time in on the nearest available clock and observe R.P.R.A. clock Rules, or have the clock re-set if convenient to the officials. Should any clock stop prior to, or after liberation of birds and have a re-set, the clock station officials initially setting the clock, must record all additional

information and include the words "reset". Failure to comply will result in disqualification.

**13.** In the event of an extended hold over all wind up clocks must be reset after 5 days. Arrangements to be made with i/c clock stations. Quartz clocks and E.T.S. need not be reset.

**14.** Competing members in charge of clock stations shall not at any time after submitting their clocks for checking have possession of their own clock envelope. These shall be posted by another member.

**15.** All master timers used by Clock Stations should be the type that prints a clear indication of the second that the clock is struck off.

**16.** Committee Members are authorized to carry out spot checks at Clock Stations.

**17.** Members requiring clocks to be set must arrive at their preferred clock station no later than 21.30.

*Management Committees statement of intent – "If any of these rules are broken, it may lead to disqualification."*

## **GUIDANCE FOR LOCAL CLUBS SETTING CLOCKS FOR THE NATIONAL FLYING CLUB**

We ask you to remember that some of the staff at the office of the National Flying Club are not pigeon fanciers and what is obvious to us is not to them. They can only type what they see on the envelopes.

We respectfully make the following requests to you and your helpers: -

1. PRINT ALL letters and figures clearly. Please make sure, as much as you possibly can, that all details on the envelope are clear, in the correct place, addresses are complete and all information is ACCURATE.

2. Help by checking that the members using your clock station or club have quoted their correct membership and are within the correct section. It must be the same as on his or her verification card. The verification card

- must be put in the members clock envelope and sent to the Secretary. If it is a Partnership, print the title in FULL. I fully appreciate that this is the member's personal responsibility, but some may require assistance.
3. Make sure that ALL dates are correct. Write in the month and put the dates in the box.
  4. All times must be recorded on the 24 hour system. The computer works on this system and dials are printed this way for this purpose. Printing clocks record on the 12 hour system and must therefore be converted to the 24 hour system. If you have any members using a race master, please convert the time recorded to the 24 hour system.
  5. DISTANCES. You do not need to put any distances onto the clock envelope, distances are received direct from the RPRA via computer.
  6. RUBBER RING NUMBERS. Endeavour to write the outside and inside number in the correct box.
  7. On using old clock envelopes, if a member clocks more than 5 birds or if a member clocks more birds than there are spaces on the clock envelope. Complete fully all envelopes. Never place one envelope inside another. Number them 1 and 2 and pin them together. Clock and master timer envelopes are available from the marking stations. E.T.S. only the printout and the verification form is required to be sent.
  8. If a member has his/her CLOCK RE-SET because of a fault, then two envelopes must be completed. Place 'DUD' dials in one, mark it 'RESET', and send to the secretary.
  9. If there is something wrong with a members clocking, such as a stopped clock, or he/she has failed to abide by the verification rule, you must send all dials etc., to the secretary and mark clearly on the envelope what is wrong. Clock setters or official clock stations cannot disqualify members: only the committee can do this.
  10. Remember to complete and send to the secretary MASTER TIMER RIBBON AND ENVELOPE, complete the box requesting number of members who had a clock set.
  11. Clock setters / Officers I/c. Never have anything to do with your own clock or clock envelope. Get someone else to complete sign and post it.
  12. Clock envelopes / printouts etc., to be posted to the secretary as early as possible. **Post 1st class and send by recorded delivery.** There is no need to register. Post the next day after clock opening or on the Monday following the race - if flown on Saturday.
  13. All clocks must go out from setting with number one box showing.
  14. You are not required to supply dials or ribbons. Members must bring their own.
  15. CLOCKS can be set 3 days prior to the date appointed for the liberation. For clocks requiring re-setting, the original clock envelopes should be marked 'RE-SET' and signed. A NEW ENVELOPE SHOULD THEN BE USED. In this case please be careful to insert on the clock envelope the correct date when the clock was re-set.
  16. Clocks must be brought in sealed and have inside the box or clock a relevant Testing Certificate. Refuse any clock that is not sealed or does not have this certificate according to R.P.R.A. Rules.
  17. IT IS VERY IMPORTANT to remember that All clocks must be checked in accordance with R.P.R.A. rules, clocks which do not show the day of timing in must be controlled if not checked on the day of timing, the day and time of clock checking will be determined by the officer I/c of the clock station. See Clock rule 5.
  18. Master Timer is to be set and checked from Greenwich Time taken from the last pip of a BBC Time signal or from 'Tim'. The Master Timer must be struck with each batch of members clocks. After clock setting is completed the master timer must be struck against GMT and then stripped ready for resetting either for a re-set, should one be required, or for the checking of members clocks. When checking has been completed a final strike must be made with GMT before stripping the master timer. Whilst in use the Master Timer must be locked and sealed, depending on the type of clock used. This does away with any DOUBLE VARIATION. CLOCKS MUST BE STRUCK OFF ON AN EVEN FIVE MINUTES, any variation on the master to be adjusted so the variation on the Members clock is 'Actual', with no double variation being necessary.
  19. MASTER TIMER ENVELOPES. Complete one of these for each race, recording all setting and checking times with GMT and variations. Put master timer dials or roll inside and send, with members clock envelopes, to the secretary. Ensure that the dials are signed and dated. Put members dials, rubbers, seals and verification card into the clock envelope, but do not seal it. Send it by RECORDED DELIVERY to the secretary in a large envelope. THERE IS NO NEED TO REGISTER THE PACKAGES.
  20. CLOCK ENVELOPES. Please print one figure or letter only in each box. Complete all details. Record the puncture details from the dials only. Do not work out any variations as the computer does this. The only adjustment is when the clock has been set an hour fast or slow. In this case ENTER on the clock envelope the correct hour and not the punctured hour. **Clock setters must write their name, address and phone number on the back of the clock envelope and/or master timer envelope / printout and be countersigned by an independent R.P.R.A. member.** The fly sheet or front part of the Clock Envelope, after completion, should be returned to the competitor.
  21. After Clock Setting complete a Clock Record Sheet. This sheet should list the members name, clock make and number, time set and variation, seal serial letter and number and the number of the slot showing. Only after checking, need a clock envelope be completed. It is important that the clock record sheet is retained by you for future reference.
  22. Clock fees are £1 per clock and re-sets are also £1 per clock paid by the member to the clock setter. Members must supply their own dials or ribbons for printers.

- committee member.  
25. List of early times. The list of early times will be sorted

23. COMPETING MEMBERS IN CHARGE OF CLOCK STATIONS OR LOCAL CLUB CLOCK SETTING SHOULD NOT AT ANY TIME, AFTER SUBMITTING THEIR CLOCKS FOR CHECKING, HAVE POSSESSION OF THEIR OWN ENVELOPE. These should be signed and posted to the secretary by another member.

24. Liberation Times. Liberation times can be got from the Race Update line. Telephone Number. Also from the

- on the Race Verification Line and on the internet by the Secretary. This way we should achieve a comprehensive list for publication in the fancy press, the following weekend.
26. The above instructions are quite straight forward and vary little from normal club procedure. Where they do vary it is necessary so that correct information can be given to the computer, but if all instructions are carefully followed no difficulties should arise. The National Flying Club appreciates the work of the Clock Stations, its officials and club clock setters, without

## **CLOCKS & CLOCK STATIONS**

### **CLOCKS - PLEASE NOTE**

**Make certain that your clock is in good running order.**

When transferring your clock from one Station to another make sure that R.P.R.A. Rules have been carried out. If yours is a puncture clock you have to provide your own dials; if it is a printer then check carefully that the ribbon and roll are in good order.

BEFORE leaving the Clock Station, check that your clock has a

locking puncture or locking print and that it has been struck to the Master Timer.

If your clock has to be sealed see that it has been done according to R.P.R.A. Rules, with the official seals sold by the R.P.R.A.

Members using two clocks must be clearly labelled one and two.

**If any of these rules are broken, it may lead to disqualification.**

### **LIBERATION NEWS**

Members may obtain the time of liberation, in any of the races, from the clubs own Race Update Line.

Phone 0906 753 4040. *Calls are charged at 80p per minute at all times inc. VAT.*

Liberation times will also be available on the club's website: - [www.nationalflyingclub.co.uk](http://www.nationalflyingclub.co.uk)

**As most clock station officials themselves compete in racing, members are requested to consider and to co-operate with them at all times.**

**It is most important that both competitors and Clock Station officials make sure that figures and letters on Clock Envelopes are in the correct boxes and legible, otherwise errors occur causing not only delays in publication of results but loss of winnings to competitors.**

## THE PIGEON CLOCK HAS EVOLVED

Over the years, pigeon racing has seen the use of mechanical puncture clocks and battery or quartz printing clocks, before the first type of digital data recording with the T3. Finally, we are in an age of Electronic Timing Systems.

Topigeon has since become one of the most trusted brands and providers of ETS pigeon clocks for pigeon racing worldwide.

## The NFC is proud to present the ACE Pigeon Awards

The ACE pigeon is calculated using the **Coefficient System**. Each race will count towards the award, there is no requirement for the fancier for nominating the pigeon, therefore each pigeon will be automatically entered for this award. For each race the pigeon will compete in, there will be a **Race Coefficient** which is calculated as follows:

**Race Coefficient** = (Race position) x 100 Divided by the (Number of pigeons in that race). So, if the pigeon race position is 4 and there are 2500 birds sent to the race, the coefficient is  $4 \times 100 / 2500 = 0.160$ . A low coefficient means the pigeon will have a top race position relative to total number of birds sent.

The **ACE Pigeon** will be the pigeon with the **lowest cumulative Race Coefficient over 3 best races**. The fancier can send the same pigeon to as many races as the fancier

wishes, but for minimum 3 races. So, if the fancier compete in 5 races and the race coefficients are 0.16, 0.54, 3.70, 2.75 and 0.60, the Ace Pigeon Coefficient over his **3 best races is 1.30** ( $0.16 + 0.54 + 0.60$ )

In the interest of fairness, the award will be split **North, South and Overall**. The North and South regions split is based on the loft position in relation to Pau Liberation Point. If the loft is situated **up to 575 miles** radius from Pau the loft it will be in the South Region and **above 575 miles** from Pau it will be in the North Region.

<b>AWARDS</b>	ACE PIGEONS Awards are sponsored by Team Aurel from Shropshire. Aurel has recently joined the Committee for Section J and will be helping developing the Ace Pigeon with Paul O'Leary. Aurel will also undertake the task to keep the NFC Facebook up-to-date and assist our President Ray Scriven at the basketing station in Alveley, Shropshire.	
<b>Ace Pigeon North:</b>	<b>ACE Pigeon</b> open to all pigeons over 3 best races competing in the <b>North</b> . The first pigeon will receive £500 in prize money, also the 1 <sup>st</sup> , 2 <sup>nd</sup> and 3 <sup>rd</sup> pigeon will receive framed photos and a Team-Aurel medal that the fancier will be able keep.	
<b>Ace Pigeon South:</b>	<b>ACE Pigeon</b> open to all pigeons over 3 best races competing in the <b>South</b> . The first pigeon will receive £500 in prize money, also the 1 <sup>st</sup> , 2 <sup>nd</sup> and 3 <sup>rd</sup> pigeon will receive framed photos and a Team-Aurel medal that the fancier will be able keep.	
<b>Ace Pigeon Overall:</b>	<b>Overall ACE Pigeon</b> open to all pigeons <b>North and South</b> over 3 best races. In addition to prize money and framed photos and medals by winning either North and South sections, the overall Winner will receive an additional £500.	

National Flying Club will produce other ACE Awards at Section and National Level.

"Young Bird" will be any bird bearing a ring of the year the competition is run.

- 6) A minimum of 100 pigeons entered by 10 different fanciers must be competing in each qualifying performance.
- 7) All results must be submitted on an official entry form; for each result, the following information must be provided:
  - Date of Race
  - Race Point
  - Organisation
  - Distance
  - Position Won
  - Number of birds competing
  - Number of birds sent by the fancier

The Entry Form must be accompanied by an official certified copy of each race result and an entry or clocking sheet to verify the number of birds sent by competing fancier along with contact details of officials of the organising body for verification purposes.

- 8) Entries must be received (to Stuart Wilcox) by the 30th of November in that competing year.  
All results must be obtained within the period 1st April 2021 and September 30th 2021 inclusive.
- 9) All results will be checked by the competition organisers.
- 10) For each result a co-efficient will be calculated; this co-efficient will then be multiplied by the number of birds sent in that race by the Competitor, the seven scores will be added up and the winner will be the entry with the lowest score.
- 11) There will be trophies for the General Champion, Runner Up and Third Prize, these awards will be presented at the Golden Duif Awards Ceremony in Antwerp Belgium in February 2022.
- 12) The top ten competitors in the 2021 competition will be recognised during a ceremony at the Savoy Hotel, Blackpool.
- 13) Competitors may choose the result that gives them the best co-efficient within a race, i.e. Club, Fed, Combine etc.

## General Rules

- a) All results must be obtained with pigeons registered to the competing fancier.
- b) All results must be final; no provisional results are permitted and must be flown under the rules of a recognised organisation.
- c) The result of the Golden Duif UK & Rol will be published in the British Homing World, Racing Pigeon Magazine, De Duif weekly and on the website of De Duif magazine.
- d) Any Appeals to the result must be received within 21 Days of the published result, appeals sent to:  
Stuart Wilcox, 4 Denston Walk, Bishopsworth, Bristol, BS13 7LL
- e) Appeals will be dealt within 30 days by the organising committee; the committee is Rik and Jan Hermans, Stuart Wilcox, Peter Fox and the committee's decision will be deemed final.
- f) Competitors are responsible for filling in the entry form correctly and providing copies of race results, entry sheets, ETS clocking sheets and contact details of race organisers. Incomplete/incorrect entries will be removed from the competition.

## NOTICE

In the past, our previous bankers (*Nat West*) introduced high bank charges. Your secretaries looked into changing banks. After many meetings with Barclays etc., they informed our management committee about Barclays and via the AGM., the club changed to our current bankers, Barclays. We achieved free banking which has lasted some twenty or more years.

Sadly, we are being informed that charges will now need to be applied.

To offset/lower these charges, the National Flying Club will only pay out using a bacs payment system in replace of normal cheques. This means we require the member's bank account name, sort code and account number to transfer winnings electronically. If you haven't supplied your details already, we have catered to receive this information on manual subscription forms and on the Part B race forms.

When possible, all bills are being paid electronically via our online banking facility, ceasing payments by cheques.

We require members to pay us online, via the club website: - [www.nationalflyingclub.co.uk](http://www.nationalflyingclub.co.uk) This will allow us to stop processing manual cheques/postal orders. We do not accept direct transfers into the club accounts, direct to Barclays or Paypal. This is due to encountering identification issues and receiving incorrect payment amounts. The use of the website shop corrects these issues.

Although we accept card payments over the phone, having this feature is at cost and quite time consuming to your secretaries answering the many calls to take payments. We will be doing away with these machines and therefore the club website is the future.

If you cannot login or you are having difficulties, please contact your secretaries who can check your account / reset your password / change your e-mail address etc. We are here to help!

Mr. P. Naum, Chairman
