## **2026 Race Program – Updated**

A new race point has become available at Quai Neuf, Isigny-sur-Mer, beside the L'Aure Interieure river, on the Cherbourg Peninsula and will be a similar distance to Carentan (withdrawn ~ 2 yrs ago).

The first race on 16<sup>th</sup> May 2026 and the Young Bird/Old Hens race on 29<sup>th</sup> August 2026 will be flown from Isigny-sur-Mer instead of Fougères.

The RPRA have now informed us that Sigogne has been withdrawn as a race point, so we will go to Saintes instead, which is ~ 28 miles west of Sigogne.

All distances have been uploaded to the website.

The revised race program is shown below:

- 16<sup>th</sup> May Isigny-sur-Mer (5168)

- 4<sup>th</sup> July Saintes (5042)
- 18<sup>th</sup> July Messac (5029)
