

The National Flying Club

FINAL NATIONAL FLYING CLUB RACE OF THE 2026 SEASON

For the final race of the National Flying Club's 2026 racing season, competitors returned to Isigny-sur-Mer in Normandy, north-western France, for the young bird and old hens races.

Race entries: Young Bird National, 145 members sent 1,236 birds; Old Hens National, 85 members sent 329 birds.

Following a holdover, due to poor weather on the proposed liberation date of Saturday 29th August, the total convoy was liberated at 0730hrs UK time on Sunday 30th August in a south wind, according to the NFC website.

BRED & RACED BY DAVE & LEE BASTONE
ALTHORNE, ESSEX

Let us now turn our attention to the all important provisional top ten of the Young Bird National result.

Taking **1st National, 1st Section P** on a winning velocity of 1732.118 is the Althorne-based partnership of **Dave & Lee Bastone**. Speaking of their winner Dave told me the following, 'Firstly I'd like to congratulate Teresa & Jonathan Gladwin on their Old Hens National win and congratulations to all the Section winners. Winning pigeon is a Peter Fox x Frans Zwols x Gaby Vandenabeele, this was his fourth race, he is paired to two hens and sitting three eggs, we have now named him Belle View Boy.'

Taking **2nd National, 2nd Section P** on a velocity of 1691.116 is the Bromley-based loft of **P Jackson & Son**.

Securing **3rd National, 3rd Section P** timing his Benzing nomination pigeon on a velocity of 1652.615 is the much respected and past National winner in the form of Hullbridge fancier **John Cowlin**. John's young bird is a Frans Zwols x Jose & Gustave Goemaere pigeon, being bred from two yearling race birds, both parents are crosses of the Zwols and Goemaere lines and both raced very well as young birds and again as yearlings this year, with the sire winning inland, and the dam being Gladwin & Jarvis's 2nd old hen in the same race. John had a very good race with three young birds all dropping together and ending up with very good returns.

Taking **4th National, 4th Section P** on a velocity of 1642.973 is the loft of **Topp & Mann** from Rayleigh.

Taking **5th National, 5th Section P** on a velocity of 1618.338 is the partnership of **D & K Simmons** from Chelmsford.

Taking **6th National, 6th Section P** on a velocity of 1614.207 is the famous and respected partnership of **Gladwin, Jarvis & Family** of Leigh on Sea.

Taking **7th National, 7th Section P** on a velocity of 1586.096 is the partnership of **Fagg & Nicholas**, near Sittingbourne.

Taking **8th Open, 1st Section L**, on a velocity of 1581.496 is NFC Life Vice-President **Roger Sutton** of Congleton.

Taking **9th National, 1st Section J** on a velocity of 1577.747 is **Paul Whitfield** of Newcastle-under-Lyme. His Zwols hen, now named Apedale Lady, flew 262-450 miles on a testing day. Paul said his young bird team had a difficult early training toss, but after regrouping and some steady tosses, they have gone on to top the Fed, win Combines with different pigeons, and he now looks forward to racing them as yearlings in next year's NFC races.

Taking **10th National, 2nd Section L** on a velocity of 1469.292 is **E Taylor** of Crewe.

This concludes the provisional top ten of the 2026 Young Bird National result. Congratulations once again to the winners, Dave & Lee Bastone and all who timed in what, yet again, proved a very testing race.

We now move on to the provisional top three in each Section.

Section A

In **1st place**, also taking **12th Open** with a velocity of 1434.412 is the partnership of **R Broome & Grandson** from Havant.

In **2nd place** and **14th Open** is the **Harris Family** from Portsmouth with a velocity of 1389.829.

In **3rd place** and **29th Open** is **Fred Hall** of Worthing with a velocity of 1241.627. The pigeon was a chequer pied hen flown natural, her sire is a Mark Gilbert blue cock, a son of Supreme Junior, 1st Nat Pau BICC, her dam is a blue pied Jelle Jellema from Dean Pallatt, a previous dam of 2nd Section NFC Tarbes.

Section B

In **1st place** and **11th Open**, **T & J Bernard** of Portsmouth with a velocity of 1449.555.

In **2nd place** and **13th Open** is **J Attrill & Sons** of Southampton with a velocity of 1429.369.

In **3rd place** and **23rd Open**, **Mr & Mrs S Harris & Daughter** of Porchester with a velocity of 1325.613.

Section C

Section C saw low participation, with three members sending 16 pigeons, after a difficult 2026 season of heavy losses. **Lanahan & Gerard of Poole** won the Section with a dark pied hen, GB26N22599, recording 1054.950 for **46th Open**. I was sent the following breeding details. Granddaughter of a top hen: 1st Section Tarbes 2026 and 2025. Also includes Dark Flo, 1st Section and 1st Open Central Southern Classic Club National. Her line also includes Zwarte Louder, 1st National St Vincent, 600 miles, 16,340 birds. Sire and grandsire of 8 x 1st National and International winners. The grandam also won 4 x Section Nationals, pure class.

In **2nd place** and **75th Open** with a velocity of 475.763 is the highly respected and consistently successful West Country loft of **M A & S C King** of Blandford Forum. Well done, Mel. No other birds were recorded at the time of writing.

Section D

In **1st place** and **78th Open** is **Richard Goodier** of Marsh Green on a velocity of 461.253.

Fred Hall, 3rd Section A, 29th Open YB National.

1st Section E, 31st Open YB National for Gary Inkley.

Richard Chambers, 1st Section I, 73rd Open YB National.

In **2nd place, 83rd Open** is **Nicu Vlaga**, Wellington on a velocity of 234.735. No other birds recorded at the time of writing.

Section E

In **1st place** and **31st Open**, **Gary Inkley** of Uxbridge on a velocity of 1191.525. Gary has forwarded the following, 'Firstly, congratulations to the winners, Dave & Lee Bastone. My pigeon is bred by Tony Seery, the brains of the outfit at my satellite stock loft. This hen is a granddaughter of two NFC Saintes winners, my Northern Lights and Gary Summers' NFC winner. My returns from this race were poor to say the least, and I suspect everyone else is the same.'

In **2nd place** and **64th Open** is **Alan & Gary Young** of South Croydon on a velocity of 722.616. No other birds were recorded at the time of writing.

Section F

Only one bird was recorded into Section F at the time of writing, belonging to **Ioan Ardeleanu** of Oxford on a velocity of 841.161.

Section G

No birds were entered in Old Birds or YB National.

Section H

In **1st place** and **36th Open** is **Terry Roughton** of Wisbech doing a velocity of 1166.917.

In **2nd place** and **62nd Open**, **R Eccles & Son** of Baldock doing a velocity of 732.533. No other birds were recorded at the time of writing.

Section I

In **1st place** and **73rd Open** is **Richard Chambers** of Rugeley doing a velocity of 494.585. Richard has sent the following, 'The pigeon that came 1st Section was bred here at my loft earlier this year and is from two very special pigeons. Her sire is a pigeon I call the Original Tarbes Cock. In 2025, he achieved 2 x 2nd Section positions with the National Flying Club, from Fougères and Tarbes. He followed those performances in 2026 by finishing 10th Section, 146th Open from Tarbes. Next year, he will be eligible to race for a Diploma of Distinction.

The Original Tarbes Cock is exceptionally well bred, being descended from our Chambers family of pigeons, and carrying the bloodlines of Jack Smash and the Impet Hen. The dam is arguably one of the finest racing pigeons I have owned here, Toby's Girl. She won 1st Section with the British Barcelona Club from St Philbert in 2025, and then recorded another outstanding performance in 2026, winning 1st Section, 53rd Open with the British Barcelona Club from St Philbert again. She has also achieved numerous leading positions with the BBC, BICC and NFC.

I paired these two pigeons together during the winter because both were West Midlands RPRA Award winners in 2025 – the Original Tarbes Cock in the 0-800-mile category, and Toby's Girl in the 250-450-mile category. Their daughter I now call Last Dance is a little dark chequer hen, and she has now become my first-ever Section winner with the National Flying Club.

She was raced naturally and was not placed on the darkness system or paired to anything. This season, I started my first team of young birds alongside the old birds, meaning that she had already competed in nine races before this National. Her first race was on 10th June, from 94 miles, while her furthest races before this performance were two visits to Weymouth, a distance of 148

miles to my loft.

As I have mentioned previously, all my pigeons live together. They are exercised, trained and prepared for their first race alongside the old birds. Once they have completed that opening race, I do not normally train them again.

The exception comes when I begin preparing the next team of young birds. At that stage, I put everything back into a week of training. This helps bring the new team up to speed, while the more experienced pigeons help to guide the younger birds home and give them confidence.

To win my first National Flying Club Section with a young hen bred from two pigeons that mean so much to me, makes this success particularly special.

I would like to congratulate all the Open and Section winners, as well as everyone who recorded a good performance in the race. I must also thank the committee and all the supporters whose hard work and commitment make these races possible.

Special thanks must go to Chris on the transporter, who has always done a tremendous job and once again looked after the pigeons exceptionally well on this race, and also to Chris Williams who does the write ups for the club, which comes with its challenges and he also does an exceptional job.

This may have been my final National race from this address, as we are hoping to move in the not-too-distant future. If it does prove to have been my last one here, then it was a wonderful way to sign off both a great season and a memorable chapter in my life with pigeons.

This has been a very special home from which to race pigeons, and it is a place where I have learned so much. The memories and achievements made here will always remain with me. I wish everyone the very best for the winter season, and I look forward to meeting up with many friends and fellow fanciers at the shows and presentations.'

In **2nd place** and **80th Open** is **G T Jones** of Redditch doing a velocity of 395.566. No

other birds were recorded at the time of writing.

Section J

In **1st place** and **9th Open** is **Paul Whitfield** of Newcastle-under-Lyme doing a velocity of 1577.747.

In **2nd place** and **15th Open** is **David Taylor** of Cleobury Mortimer, doing a velocity of 1386.125.

In **3rd place** and **17th Open** is **I J Barnbrook** of Bridgnorth doing a velocity of 1379.895.

Section K

In **1st place** and **16th Open** doing a velocity of 1382.843, **Mr & Mrs A & W Rose** of Worksop.

In **2nd place** and **22nd Open** doing a velocity of 1326.486 is **J & J Greenfield** of Barnsley. The cheq hen was bred by friend and clubmate J R Woods. She also won 1st Club Upper Heyford a few weeks ago. Dam to the hen is a full sister to their 1st Section K, 17th Open NFC Isigny-sur-Mer this year, the sire is bred from Herbots stock.

In **3rd place** and **35th Open** is **Paul Corley** of Wakefield doing a velocity of 1167.757.

Section L

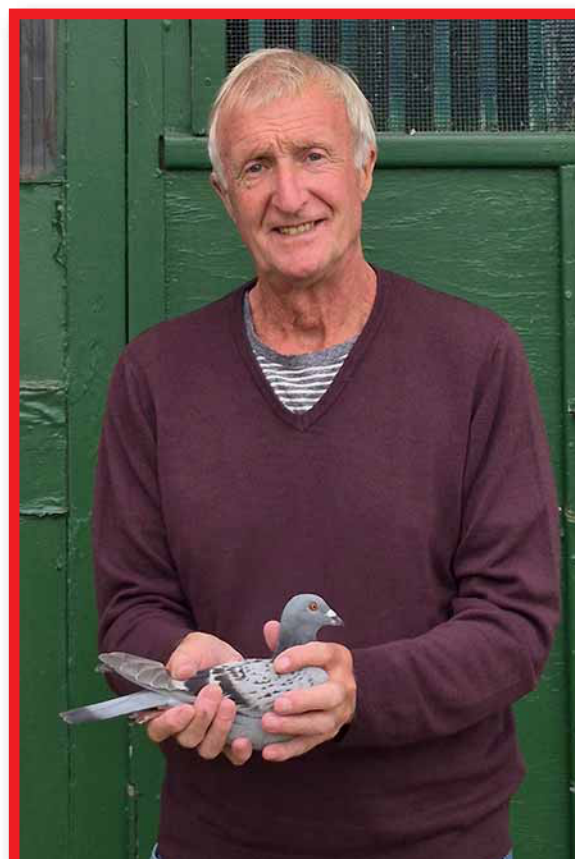

In **1st place** and **8th Open** is **R Sutton** of Congleton doing a velocity of 1581.496. Roger told me, 'This will now be 28 x 1st Section L in the NFC. The young birds are both bred from a long line of pigeons that have flown well in the NFC races. Most of the stock birds are multiple Section prizewinners or children of 1st Section winners, in other words very much my own family.'

Paul Whitfield, 1st Section J, 9th Open.

1st Section J, 9th Open YB National for Paul Whitfield.

Jack Greenfield, 2nd Section K YB National.

In **2nd place** and **10th Open** is **E Taylor** of Crewe doing a velocity of 1469.292.

In **3rd place** and **25th Open** is **D J Harrison & Son** of Southport doing a velocity of 1288.489.

Section P

In **1st place** and **1st Open**, on a National winning velocity of 1732.118 is **Dave & Lee Bastone** of Althorne.

In **2nd place** and **2nd Open** YB National is **P Jackson & Son** of Bromley doing a velocity of 1691.116.

In **3rd place** and **3rd Open** YB National is **John Cowlin** of Hullbridge on a velocity of

1652.615.

Section W

Only two birds were recorded into Section W.

In **1st place** and **50th Open**, **Derek R Nicholls** of Premier Stud fame from Barry who recorded a velocity of 963.556.

In **2nd place** and **81st Open** were **Embling Brothers** of Pencoed, recording a velocity of 354.575.

This concludes the provisional race result and report for the Young Bird National of 2026. Congratulations to the winners, Dave & Lee Bastone.

We will now focus on the provisional Old Hens National result.

With fanciers in Section P dominating the top three places in the National Open result, the winners on this occasion were the ultra-successful **Gladwin, Jarvis & Family** of Leigh-on-Sea with a 2y doing a National and Section winning velocity of 1628.947. Here is what John told me about the partnership's winner. 'My first pigeon in the Old Hens race is a 2024 Frans Zwols hen, her sire is Theresa Boy, who himself won 1st National as a young bird and since has bred some very good birds inland and in Nationals. He was paired to a daughter of

Sophie Boy who won 1st Open NFC St Philbert when he was paired to Special Lady, that has bred 1st and 2nd National, so she was definitely bred for the job. Our young bird which is provisionally 6th Open is a Jose & Gustave Goemaere x Frans Zwols. Sire being a son of the Goemaeres' National cock that won many races and 2nd National in Belgium, when paired to our super Frans Zwols hen, Tip Top Devil, a daughter of Tip Top Junior; she is responsible for 5 x 2nd, 4th, 5th, 2 x 7th, 11th, 15th, 16th, 18th, 2 x 20th, 22nd, 23rd, 26th etc Open National, plus multiple other top 50 positions in National races along with many club and Fed winners.'

Taking **2nd National, 2nd Section P** is **T Buckfield** of Hockley with a 3y on a velocity of 1624.617.

Taking **3rd National, 3rd Section P** is the partnership of **Fagg & Nicholas** from near Sittingbourne with a 2y on a velocity of 1612.810.

Taking **4th National, 1st Section L** is **Kevin Tagell** of Congleton with a yearling on a velocity of 1583.273. Kevin sent me the following information about his hen. 'She is a self-bred yearling flown all season on widowhood, where she picked up a few prizes in the club races, as she did last season as a young bird. For this race she was paired up and was sent sitting 10-day eggs. It's her first time over the Channel and when she arrived she was wet and had pink wattles, so obviously been through a lot of rain. Her sire is a Lambrecht out of my race team who has won many 1sts and other prizes in club and Fed. Dam is a Heremans-Ceusters hen which comes from a long line of winners in my loft and others. All birds are fed on Vanrobaeys mixes which I get from Astbury Pigeon Supplies, where I work.'

Taking **5th National, 5th Section P**

Mr & Mrs S Harris & Daughter, 1st Section B, 17th Open Old Hens.

**2nd Section H NFC Old Hens
for Andy Talmer.**

with a 2y on a velocity of 1578.225 is the 2026 Young Bird National winning partnership of **Dave & Lee Bastone** from Althorne.

Taking **6th National, 2nd Section L** is the loft of **J Wood & Son** from Oldham with a yearling on a velocity of 1569.337.

Taking **7th National, 1st Section K** is **J J Booth** of Castleford with a 4y on a velocity of 1518.248. The blue hen scored in the Old Bird National last year and has also won inland. Her brother has won several 1st prizes and was also 7th Section K this season from Messac. The blue hen had not a lot of training after the old bird season finished. She only had one 30-mile training flight and then was sent to Upper Heyford with the young birds, a distance of 123 miles, the weekend before the National race, when she beat the young birds back.

Taking **8th National** is **P Jackson & Son** of Bromley with a 2y on a velocity of 1486.818.

Taking **9th National, 1st Section I** is **A Peach & Son** of Burton-on-Trent with a 3y Roland Janssen grizzle hen bred from birds that originally came from Louella on a velocity of 1470.693.

Taking **10th National, 3rd Section L** is Life Vice-President **R Sutton** of Congleton with a yearling on a velocity of 1424.518.

That concludes the provisional top ten of the 2026 National Flying Club's Old Hens race.

Congratulations once again to the winners Gladwin, Jarvis & Family and all who made the top ten.

It is now time for credit to be given to the top three old hens in the provisional result for each Section.

Section A

Only one 3y hen is recorded in Section A, belonging to **M Sallis & Son** of Brighton, and this on a velocity of 611.317, which sees the partnership also take **59th Open**.

Section B

In **1st place** and **17th Open** with a yearling, **Mr & Mrs S Harris & Daughter** of Porchester on a velocity of 1341.078. Here is what Steve told me about this latest performance. 'We would like to say well done to all the winners, especially our good friend Justin Bernard on winning Section B young birds. Our hen was gifted to us as a young bird by D & T Hughes of Portsmouth. She has had two races in 2026, finishing 2nd Section A British Barcelona Club, and now 1st Section B NFC. She was bred from their Darren May stock birds.'

In **2nd place** and **21st Open** with a 3y on a

velocity of 1300.018 is Southampton fancier **P Priddle**.

In **3rd place** and **49th Open**, **M Duggan & Son** of Southampton with a 2y on 886.209.

Section C

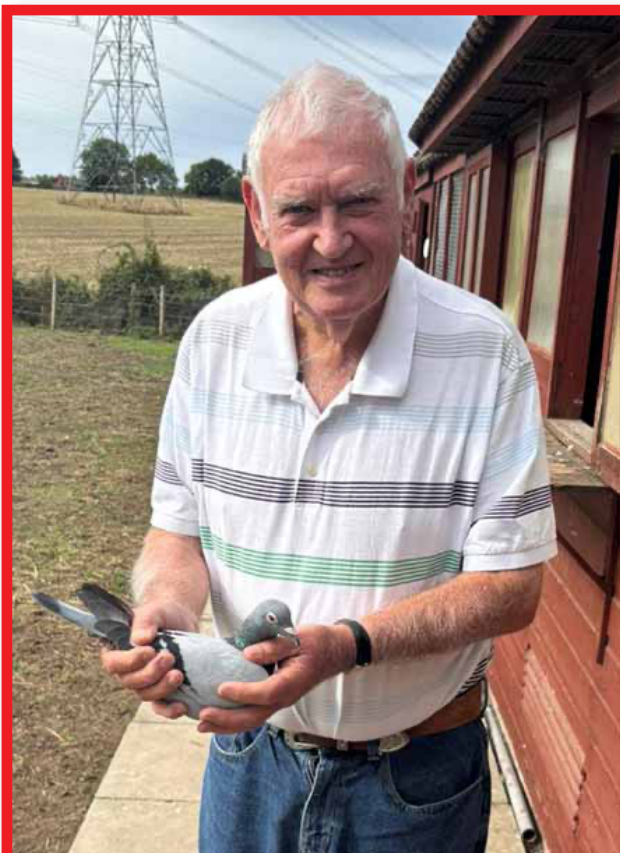

Clocking the only hen into Section C from his entry of two pigeons was the extremely consistent **Mircea Cioc** of Shaftesbury, with a yearling doing a velocity of 1166.162. Mircea has built an impressive racing résumé in recent years, establishing himself as one of Section C's leading performers. Despite that success, he remains a humble fancier, continually striving for improvement and greater consistency. Here is what he had to say about yet another Section-winning performance. 'My 1st Section winner is a hen I call New Vaillant. She is a yearling hen that won 2nd Section, 11th Open with the BBC two weeks ago. She raced all three Channel races last year as a young bird and scored in all three. She was the best young bird over all three Channel/National races. She didn't race this year with the old birds, only started training with the young birds and had a couple of races with the local club before she went to the BBC, which seems to be a difficult race. She is bred from my very promising pair which have already bred a few good pigeons. Her parents are bred by Cosmin Talas from Oxford. Her sire is a son of Sparky and Sparta. Full brother to 1st Fed winner, 3rd and 4th Section winner with the NFC, brother to the dam of 18th Open AviRings One Loft Race 2026 against 2,471 pigeons for Cosmin. Another daughter of Sparky won 24th Open Grand Final Pride of the Potteries; she is the dam of 21st Open Hot Spot 3 and 57th Open Grand Final UK Premier One Loft Race 2025, also to 30th Open Hot Spot 1 UK Premier One Loft Race 2026, came with the first group.

Sparky is Cosmin's double Section winner with the NFC in two weeks and a very good

**1st Section I, 9th OH National for
A Peach & Son.**

John Booth, 1st Section K, 7th National Old Hens.

Kevin Tagell, 1st Section L, 4th National (see text).

breeder. Sparta is a daughter of National Ace Pigeon Joy Boy.

The dam of my 2nd Section winner is a daughter of Arn and Rona, both very good breeders for Cosmin. Arn is a son of National Ace Pigeon Long-Distance and Rona daughter of Hugo Vlaeminck's famous pigeon Ronaldo.

New Vaillant is a full sister with Arvin, 1st Section, 8th Open BBC Messac National 2024 as a yearling. Aaron, 2nd Section, 9th Open BBC Messac National as a yearling, also 1st Section, 85th Open NFC Nort-sur-Erdre National 2025.

Another brother won 12th Section, 25th Open BICC Nort-sur-Erdre National 2026.

Half-sister with Arik, 4th Section, 32nd Open BBC Guernsey National 2024 as a young bird.

'106', 2nd Section, 163rd Open NFC Falaise National 2024 as a young bird. Gail, 9th Section BICC National Guernsey 2022 as a young bird.'

Section D

Only two birds were recorded into Section D, the **first** of which belongs to the loft of **Simon Cordery** from Sidmouth with a yearling hen doing a velocity of 802.624. Simon sent me the following details. 'The sire of the hen is from Richard Goodier's Titan Games lines. The dam is from JPS Pigeon Stud, Stefaan Lambrecht.' He would also like to thank all the organisers and the volunteers at Bristol marking station, for all the hard work they do. Well done to all the winners.

Taking **2nd Section D, 62nd Open** is **Wayne Wright** of Exeter with a 2y doing a velocity of 507.037. 'My first pigeon was a blue bar hen which was a nest mate to my blue pied cock which was 15th Open, 2nd Section D at Nort-sur-Erdre. Sire Kittel and Rico lines, van den Bulck and Olympic Rico. Dam Kittel lines, van den Bulck. I purchased these pigeons from the infamous Steve White whose reputation and knowledge of

the sport is second to none. Thank you to everyone who works tirelessly behind the scenes to keep the sport running, it is really appreciated by everyone. Also, well done to Simon Cordery on winning Section D.'

Section E

Only one pigeon was recorded into this Section and this belonged to the loft of **Ken Wise** from Isleworth with a 2y doing a velocity of 1064.594. This pigeon was also **37th Open**.

Section F

1st Section, 47th Open is **Ioan Ardeleanu** from Oxford with a 3y doing 911.648.

In **2nd Section, 50th Open** is **Ralph Smith** of Marlborough with a yearling doing a velocity of 858.689.

In **3rd Section, Mr & Mrs A Webber & Son** from Abingdon, they were **57th Open** with a yearling on a velocity of 743.785.

Section H

1st Section were **Rusted & Hayward** with a yearling which was also **26th Open** on a velocity of 1218.162;.

2nd Section Andy Talmer of Woburn, also **30th Open** with a 9y doing a velocity of 1197.306. 'My 2nd Section winner is a remarkable 9y blue hen. Her track record includes winning 1st Section last year, as well as taking 2nd Section, 9th Open in the incredibly challenging 2024 race as a 7y - not bad for a pensioner! She has always been an exceptionally consistent racer for me. The parents of this bird originated from fellow club members Mr & Mrs E Corkett & Sons from Leighton Buzzard. Her success just goes to show that when birds are

treated well throughout their lives, and with a little bit of luck, they can still bring their owners the absolute pleasure of seeing them return home from the toughest of races.'

In **3rd Section** was **Phil Lane & Son** of Bedford, they were **35th Open** with a yearling doing 1147.908.

Section I

1st Section A Peach & Son from Burton-on-Trent, also **9th Open** with a 3y doing a velocity of 1470.693.

In **2nd Section, 15th Open, the Rostrons** of Evesham with a yearling doing a velocity of 1383.558.

In **3rd Section, 27th Open, Mariusz Kujawa** - Mazza Loft of Mansfield with a 2y on a velocity of 1212.123.

Section J

Neil Greatwich from Cleobury Mortimer takes **1st Section, 14th Open** with a yearling doing a velocity of 1393.854.

Taking **2nd Section, 18th Open** with a yearling doing 1325.993 is the much respected Crewe fancier **Nigel Shaw**.

In **3rd Section, 19th Open** with a 2y doing a velocity of 1318.524 is **Ian Ball** of Stoke-on-Trent.

Section K

1st Section, 7th Open, J J Booth of Castleford with a 4y on a velocity of 1518.248.

In **2nd Section, 12th Open, R J Hardy** of Huddersfield with a 2y doing 1408.017.

In **3rd Section, 13th Open, Brian Holland** of Keighley with a yearling doing a velocity of 1396.343.

Section L

1st Section, 4th Open, K Tagell from Congleton, with a yearling doing a velocity of 1583.273.

In **2nd Section, 6th Open, J Wood & Son** from Oldham with a yearling doing 1569.337

In **3rd Section, 10th Open, J R Sutton** from Congleton doing a velocity of 1424.518 with a yearling.

Section P

1st Section, 1st Open, Gladwin, Jarvis & Family from Leigh-on-Sea with a velocity of 1628.947 with a 2y

In **2nd Section, 2nd Open T Buckfield** of Hockley with a 3y doing a velocity of 1624.617

In **3rd Section, 3rd Open, Fagg & Nicholas** of near Sittingbourne with a 2y on a velocity of 1612.810.

Section W

Only one yearling was timed and this belonged to the **Gardner Family** of Caldicot on a velocity of 376.139, also giving them a **63rd Open** position.

Congratulations to all the winners in a final testing race! Speaking of finals, I am sorry to say that this is my last race report as Press Officer for the NFC. I wish members all the best for the future. Yours in sport,

CHRIS WILLIAMS
