## Champion of Champions 2024

First, just a reminder of the rules:-

1. The first two pigeons listed on each Part B are the free nominations in each race
2. The pigeons nominated can be different from race to race (it's a Member nomination event)
3. Members must time at least one of their nominations in at least 4 old bird races
4. A co-efficient is calculated for each nominated pigeon
5. If the member times both nominated pigeons in a race, only the first arrival is considered
6. In the event of a member timing a nominated pigeon in more than 4 races, only the lowest (best) four co-efficients are considered

So, here's the result of the NFC's Champion of Champions competition of 2024 (top 3) e&oe, result subject to objections by end August please

	Member Code	Member Name	Race	Race Point	Ring Number	Open Pos	Section Pos	Co-Eff Open
1st	G019E	Mark Gilbert	2024_01	Fougeres OB	GB22N42144	86	10	1.4825
	G019E		2024_02	Messac OB	GB22N42061	99	9	2.1696

	T292F		2024_05	Sigogne OB	GB16P22730	19	1	1.1543
	T292F Total							<b>25.7621</b>

- Congratulations to **Mark Gilbert**, each time nominating a bird in the top 100 of each race, he wins the sponsored Benzing system.
- **Chris Howse** was the only Member to nominate a timed pigeon in all 5 races,
- Please also note that **Cosmin Talas** nominated the same pigeon "Choco" (picture below) in each race and it justified his faith each time (this pigeon is also the 9<sup>th</sup> NFC National Ace Pigeon of 2024).
